If a gold scholarship cannot be filled from the supplementary list of gold scholarship, an additional silver scholarship will be funded and awarded among the supplementary list.

The scholarships granted to M1 students will be maintained at the M2 level of ISAI masters, except in the case of non-attendance at the course, failure of the exams or withdrawal.
The amount of the scholarships of 1000 €/month, can be revised or stopped in the second semester during the internship period according to the material conditions offered by the internship. The scholarship will no longer be granted during the internship period if the internship is done outside a French academic Lab.

* subject to the M1 validation

Recipients must accept or decline the scholarship before June 1st 2026, by sending their answer to pgisai.mineschimie@psl.eu , domitille.giaume@chimieparistech.psl.eu , thomas.pons@espci.psl.eu and assaad.zoughaib@minesparis.psl.eu

Awarding of PhD Track scholarships from ISAI graduate program Academic year 2026-2027

The graduate program ISAI "Engineering Applied Sciences Innovation" is awarding 1 PhD Track scholarship for the year 2026-27 to international master students (M1) enrolled in one of the following ISAI masters' programs:

Master Energy	Master Materials Science and Engineering
Master of Nuclear Energy	Master ST4H (BEH track)

1 PhD Track scholarship is awarded to:

Rubesh Kasinathan Vettriezhilan	M1 ENERGY
---------------------------------	-----------

Supplementary list for PhD Track Scholarship

Amal Muhammed Musthafa	M1 MSE
------------------------	--------
